1. Pets are welcome and must be leashed and attended to. Please clean up after your pets; there is a pet station located at the restroom facility.
2. No glass containers are allowed in the parks. No intoxicating beverage (alcohol) is to be consumed or displayed in public within the park.
3. Park only on the parking spurs, not between sites or in the brush. Extra cars must park at visitor parking areas.
4. To help protect and preserve our woodland areas, we must insist that **no firewood be brought in or gathered on-site**. Fires must be contained in the fire rings provided.
5. Please keep food in campers or vehicles to discourage raccoons and skunks from becoming pests.
6. Be a good camping neighbor and keep all noise at the level of a quiet conversation or less after 10:00 p.m. Please have no outside radios on thereafter.
