Pursuant to due call and notice thereof, the meeting of the Brainerd Charter Commission was called to order at 5:00 P.M. by Charter Commission Chair Czeczok.

Upon roll call, the following members were noted present: Commissioners Burton Czeczok, Lambert, O'Day, Shipe, and Yeager. City Administrator Bergman, Finance Director Hillman were also noted as present.

Approval of the Minutes

MOVED AND SECONDED BY COMMISSIONERS LAMBERT AND SHIPE, DULY CARRIED, TO APPROVE THE MINUTES OF THE MEETING HELD ON APRIL 20, 2022, WITH CHANGES NOTED.

Old Business

Proposed Changes to the Brainerd City Charter

Administrator Bergman and Finance Director Hillman gave an overview of each of the proposed changes to the Charter.

Oath of Office for Officers of the City Council

MOVED AND SECONDED BY COMMISSIONERS LAMBERT AND O'DAY, DULY CARRIED, TO APPROVE THE CHANGE OF THE OATH OF OFFICE FOR THE CITY COUNCIL TO THE FIRST MEETING IN JANUARY AFTER THE GENERAL ELECTION.

Assessments and Deferments

Finance Director Hillman stated that by making this change, the Council could change the assessment and deferment policy as necessary by ordinance or resolution. The assessment and deferment language should stay in the Charter as this gives the City the ability to assess owners and defer those assessments as necessary.

MOVED AND SECONDED BY COMMISSIONERS LAMBERT AND YEAGER, DULY CARRIED, TO AMEND CHAPTER TWO OFFICERS AND ELECTIONS; DUTIES OF THE CITY COUNCIL; INSERT A NEW NUMBER 36 WITH ASSESSMENT LANGUAGE AND RENUMBER THEREAFTER.

Disbursements and the Permanent Improvement Fund

Finance Director Hillman stated that the fund does not levy enough to pay for the construction of a road, rather the maintenance and staffing needed for improvements. However, the full 9% goes into the construction fund, which is used to pay for crack sealing, staff time, etc. This amount levied would otherwise be a part of the general levy or an issuance of debt.

Commissioner O'Day stated that if the fund is used for maintenance not permanent improvement, it is technically in violation of the charter. He suggested taking the permanent fund out of the charter and include the improvements in the budget.

Commission Discussion took place.

MOVED AND SECONDED BY COMMISSIONERS SHIPE AND LAMBERT TO APPROVE PROPOSED LANGUAGE FOR DISBURSEMENTS AND THE PERMANENT IMPROVEMENT FUND.

Commissioners Burton, Czeczok, Lambert, Shipe, and Yeager voted "aye". Commissioner O'Day voted "nay". The Chair declared the motion carried.

Chapter 3- Finances Sections 3-5

At the direction of the Charter Commission, City Administrator Bergman proposed "one or more" and "entirely" to clarify the Charter Commissions intent.

Chair Czeczok requested that the language for the senior organization reflect the same language of the other two organizations.

Commissioner Yeager stated that he fully supports The Center, Brainerd Community Action, and the Northland Arboretum and their endeavors. He has taken a fair amount of criticism on the position he took on the language formerly passed regarding this matter. He thanked those for the criticism as it has been the impetus to reconsider this language. He stated he will be making a motion to strike this language completely in the Charter. While good intentions set in motion money being taken from taxpayers has one drawback, that it provides for favoritism. The City is in the position to take money from taxpayers and selectively pick three institutions when there are numerous other non-profit organizations that do not receive the same kind of support.

Commissioner Shipe stated that he has been thinking about this language as well. He suggested that instead of a physical location, it would be best to include provide benefit to the taxpayers in their proposal. As the hub of the region, he would reconsider the location if there were a benefit.

Commissioner Lambert stated that she has a problem with Brainerd tax money going outside of the city limits and contributing a large amount of these entities budgets.

Commissioner O'Day stated that he agrees with what Mr. Yeager brought forth. Non-profit organizations that rely on taxpayer dollars are operating outside of their budget.

Chair Czeczok stated that the funding for the Northland Arboretum could potentially placed on the ballot instead of it being only a decision by the Council.

Council Liaison Bevans stated that anyone can file a petition for a referendum. If the people want to levy for the Arboretum and it passes, they could and that may be a solution.

Commissioner Shipe stated that he is hesitant to strike the language as a point of values of the City of Brainerd.

MOVED AND SECONDED BY COMMISSIONERS YEAGER AND LAMBERT TO STRIKE CHAPTER 3 SECTIONS 3-5 IN ENTIRETY WITH FURTHER RECOMMENDATION TO HAVE LEGAL REVIEW AND EXTEND THE NORTHLAND ARBORETUM'S AGREEMENT TO 5 YEARS.

Commissioners Burton, Czeczok, Lambert, O'Day, and Yeager voted "aye". Commissioner Shipe voted "nay". The Chair declared the motion carried.

Chapter 5- Streets

MOVED AND SECONDED BY COMMISSIONERS LAMBERT AND SHIPE, DULY CARRIED, TO STRIKE CHAPTER 5 IN ITS ENTIRETY AND RENUMBER THE FOLLOWING CHAPTERS ACCORDINGLY.

Commissioner Comments

Commissioner Burton requested Finance Director Hillman to research the original amount of the levy.

Chair Czeczok stated that in reference to the conflict of interest suggested in the newspaper it seems that the commissioners in question would have nothing personally to gain from the amendment to the Charter. He suggested that if making a public statement, fact checking is important.

Commissioner O'Day stated that the Parks board is not a singular organization that would be able to receive these funds.

Adjourn

MOVED AND SECONDED BY COMMISSIONERS LAMBERT AND SHIPE, DULY CARRIED, TO ADJOURN THE CHARTER COMMISSION MEETING.

Commission Vice Chair Yeager adjourned the meeting 6:06 p.m.

RE: Discussion on Charter Ordinance 1532

The Council considered Ordinance 1532 regarding the proposed changes to the Charter (see attached). In order to amend the Charter by Ordinance, the Charter Commission must propose the changes and the City Council must vote unanimously on the Ordinance. This ordinance failed on a 4-3 vote.

This Ordinance combined several amendments as proposed by the Charter Commission:

- 1) Chapter One, Section 2 – removing the written description of the Wards and replacing it with “The City shall be divided into four wards in accordance with state law.”
- 2) Chapter Two, Section 14 – changing the elections of President and Vice-President to the first meeting in January as opposed to the first meeting of the City Council after the regular City election.
- 3) Chapter Two, Section 36 – adding this section to address special assessments
- 4) Chapter Three, Section 2 – eliminating the majority of the language in the Permanent Improvement Fund and replacing it with Chapter Two, Section 36.

Councilmember Stenglein did state during the meeting that she will be voting no because there are too many changes in one ordinance and that these should be considered separately.

Staff is recommending that we divide this into three ordinances: 1) Items 1 and 2 above; 2) Item 3 above; and, 3) Item 4 above.

Recommendation: Direct staff to divide Ordinance 1532 into three separate ordinances to be brought back to the City Council for consideration.

A PERMANENT IMPROVEMENT FUND, for paying such portion of the cost of improving streets and ~~alleys as shall devolve upon the City, under the provisions of Subdivision (11) of this Section 46.~~ For the support of this fund the City Council shall annually levy on taxable property of the City taxes to an amount not to exceed 9% of the City's previous year's total levy. No part of this fund shall be used for any other purpose. ~~In anticipation of the collection of such taxes for the then current year and succeeding years, the City Council may at the proper time, and from time to time, issue and dispose of certificates of indebtedness in an aggregate amount equal to eighty (80) per cent of such levy in the then current year and estimated amount for not more than ten succeeding years;; provided, that the issuable aggregate of such certificates of indebtedness shall at no time exceed the sum of money then in the permanent improvement revolving fund under the provisions of Section 49 of the City Charter, as herewith amended, together with the additional amount of bonds that may or can be issued thereunder, added to the total of cash payments guaranteed by bonds of owners of real property abutting on such or similar street or alley improvements. These certificates shall be known as Re-paving Certificates of Indebtedness, and on~~

~~every one shall be stated the particular purpose for which it is issued or describe the specific improvement on which it is based. Such certificates shall be consecutively numbered, with date of issue, date of maturity, bear interest, payable semi-annually, have proper interest coupons attached, be signed by the Mayor, countersigned by the City Administrator, and be attested by the corporate seal; and, so far as practicable, shall be in denominations of not less than \$500.00. Whenever occasion arises for the issuance of such repaying certificates, it shall be the duty of the City Council to make requisite calculations, computations and estimates with respect to the quantity and various times of collection of taxes so levied and to be levied, and thereupon, as the circumstances may require, to issue and sell one or more of such certificates. All such certificates shall be so issued as to mature serially, on proper dates, to the end that eighty (80) per cent of the estimated tax collection for this fund in each and every year will pay the certificates as they mature, and succeeding issues shall appear in regular order following previously issued certificates; and whenever there is an unused or unappropriated margin of such eighty (80) per cent of the estimated tax collection for this fund, over and above the aggregate amount of all such certificates theretofore issued, then and under such circumstances the earliest maturing certificates of the next succeeding issue shall be made to mature at such times and in such manner as to assure payment thereof out of, and at the time of collection of, such prior unused or unappropriated margin of such eighty (80) per cent of such estimated tax collection. If in any year the taxes collected for this fund shall not be sufficient to pay the certificates maturing in that year, the deficit shall be paid from the general fund. The earliest maturing certificates of the first issue hereunder shall mature on the first day of December in the year following the year of their issuance, and the other certificates in such issue, to mature later and serially, shall be distributed in succeeding serials and follow in such order of maturity that eighty (80) per cent of the estimated tax collections, year by year, will pay such certificates in each and every year thereafter. Neither the City Council nor any officer of the City shall in any year appropriate, expend or disburse any part of this fund, or do any other act therewith, at such time or in such manner as to render the available balance thereof insufficient to pay, when due, the certificates maturing in that particular year. The City Council shall, at the proper time, and from time to time, prepare for every issue and sale of such re-paving certificates of indebtedness by appropriate resolution setting forth in sufficient detail the date of issuance, number or quantity, specific denominations, and various dates of maturity thereof, the rate of interest thereon, and the nature or character, location, extent, and approximate total cost of the particular improvement on which the same are founded. The sale of such certificates of indebtedness shall be made, conducted, and carried on in the manner provided for sales of bonds under the certain provisions of section 49 of the City Charter, as herewith amended; provided, further, that no certificate shall be sold for less than par and accrued interest.~~

Chapter Seven – The Park and Recreation Board – is renumbered as Chapter Six. Chapter Eight – Public Library Board – is renumbered as Chapter Seven. RE: Discussion on Charter Ordinance 1533

The Council considered Ordinance 1533 regarding the proposed changes to the Charter which was the ordinance eliminating Sections 3, 4 and 5 of Chapter Three (see attached). In order to amend the Charter by Ordinance, the Charter Commission must propose the changes and the City Council must vote unanimously on the Ordinance. The vote failed on a 3-4 vote.

I have been asked by a couple of Charter Commission members about the history of the allocations for Brainerd Community Action, The Center and the Northland Arboretum. Attached is a history timeline. In addition, the Commission wanted to know how much each organization has received since they began receiving the mill levy (see attached).

I have also been asked about the process to place something on the ballot for a referendum. According to City Attorney Joe Langel a charter commission may propose amendments to the charter to be placed on a ballot. This request must be submitted at least 17 weeks in advance of the general election which would have needed to be done by July 12th to meet the deadline for the 2022 general election (see attachment Minnesota Statutes 410.12, Subd. 1). A charter commission may propose the form of the question; however, the form shall be fixed by the governing body (410.12, Subd. 4).

Action Requested: Discuss what next steps, if any, the Charter Commission would like to take.

410.12 AMENDMENTS.

Subdivision 1. **Proposals.** The charter commission may propose amendments to such charter and shall do so upon the petition of voters equal in number to five percent of the total votes cast at the last previous state general election in the city. Proposed charter amendments must be submitted at least 17 weeks before the general election. Only registered voters are eligible to sign the petition. All petitions circulated with respect to a charter amendment shall be uniform in character and shall have attached thereto the text of the proposed amendment in full; except that in the case of a proposed amendment containing more than 1,000 words, a true and correct copy of the same may be filed with the city clerk, and the petition shall then contain a summary of not less than 50 nor more than 300 words setting forth in substance the nature of the proposed amendment. Such summary shall contain a statement of the objects and purposes of the amendment proposed and an outline of any proposed new scheme or frame work of government and shall be sufficient to inform the signers of the petition as to what change in government is sought to be accomplished by the amendment. The summary, together with a copy of the proposed amendment, shall first be submitted to the charter commission for its approval as to form and substance. The commission shall within ten days after such submission to it, return the same to the proposers of the amendment with such modifications in statement as it may deem necessary in order that the summary may fairly comply with the requirements above set forth.

Subd. 1a. **Alternative methods of charter amendment.** A home rule charter may be amended only by following one of the alternative methods of amendment provided in subdivisions 1 to 7.

Subd. 2. **Petitions.** The signatures to such petition need not all be appended to one paper, but to each separate petition there shall be attached an affidavit of the circulator thereof as provided by this section. A petition must contain each petitioner's signature in ink or indelible pencil and must indicate after the signature the place of residence by street and number, or other description sufficient to identify the place. There shall appear on each petition the names and addresses of five electors of the city, and on each paper the names and addresses of the same five electors, who, as a committee of the petitioners, shall be regarded as responsible for the circulation and filing of the petition. The affidavit attached to each petition shall be as follows:

State of)
) ss.
County of)

..... being duly sworn, deposes and says that the affiant, and the affiant only, personally circulated the foregoing paper, that all the signatures appended thereto were made in the affiant's presence, and that the affiant believes them to be the genuine signatures of the persons whose names they purport to be.

Subscribed and sworn to before me

this day of

Notary Public (or other officer)

authorized to administer oaths

The foregoing affidavit shall be strictly construed and any affiant convicted of swearing falsely as regards any particular thereof shall be punishable in accordance with existing law.

Subd. 3. May be assembled as one petition. All petition papers for a proposed amendment shall be assembled and filed with the charter commission as one instrument. Within ten days after such petition is transmitted to the city council, the city clerk shall determine whether each paper of the petition is properly attested and whether the petition is signed by a sufficient number of voters. The city clerk shall declare any petition paper entirely invalid which is not attested by the circulator thereof as required in this section. Upon completing an examination of the petition, the city clerk shall certify the result of the examination to the council. If the city clerk shall certify that the petition is insufficient the city clerk shall set forth in a certificate the particulars in which it is defective and shall at once notify the committee of the petitioners of the findings. A petition may be amended at any time within ten days after the making of a certificate of insufficiency by the city clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The city clerk shall within five days after such amendment is filed, make examination of the amended petition, and if the certificate shall show the petition still to be insufficient, the city clerk shall file it in the city clerk's office and notify the committee of the petitioners of the findings and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

Subd. 4. Election. Amendments shall be submitted to the qualified voters at a general or special election and published as in the case of the original charter. The form of the ballot shall be fixed by the governing body. The statement of the question on the ballot shall be sufficient to identify the amendment clearly and to distinguish the question from every other question on the ballot at the same time. If 51 percent of the votes cast on any amendment are in favor of its adoption, copies of the amendment and certificates shall be filed, as in the case of the original charter and the amendment shall take effect in 30 days from the date of the election or at such other time as is fixed in the amendment.

Subd. 5. Amendments proposed by council. The council of any city having a home rule charter may propose charter amendments to the voters by ordinance. Any ordinance proposing such an amendment shall be submitted to the charter commission. Within 60 days thereafter, the charter commission shall review the proposed amendment but before the expiration of such period the commission may extend the time for review for an additional 90 days by filing with the city clerk its resolution determining that an additional time for review is needed. After reviewing the proposed amendment, the charter commission shall approve or reject the proposed amendment or suggest a substitute amendment. The commission shall promptly notify the council of the action taken. On notification of the charter commission's action, the council may submit to the people, in the same manner as provided in subdivision 4, the amendment originally proposed by it or the substitute amendment proposed by the charter commission. The amendment shall become effective only when approved by the voters as provided in subdivision 4. If so approved it shall be filed in the same manner as other amendments. Nothing in this subdivision precludes the charter commission from proposing charter amendments in the manner provided by subdivision 1.

Subd. 6. Amendments, cities of the fourth class. The council of a city of the fourth class having a home rule charter may propose charter amendments by ordinance without submission to the charter commission. Such ordinance, if enacted, shall be adopted by at least a four-fifths vote of all its members after a public hearing upon two weeks' published notice containing the text of the proposed amendment and shall be approved by the mayor and published as in the case of other ordinances. The council shall submit the proposed amendment to the people in the manner provided in subdivision 4, but not sooner than three months after the passage of the ordinance. The amendment becomes effective only when approved by the voters as provided in subdivision 4. If so approved, it shall be filed in the same manner as other amendments.

Subd. 7. **Amendment by ordinance.** Upon recommendation of the charter commission the city council may enact a charter amendment by ordinance. Within one month of receiving a recommendation to amend the charter by ordinance, the city must publish notice of a public hearing on the proposal and the notice must contain the text of the proposed amendment. The city council must hold the public hearing on the proposed charter amendment at least two weeks but not more than one month after the notice is published. Within one month of the public hearing, the city council must vote on the proposed charter amendment ordinance. The ordinance is enacted if it receives an affirmative vote of all members of the city council and is approved by the mayor and published as in the case of other ordinances. An ordinance amending a city charter shall not become effective until 90 days after passage and publication or at such later date as is fixed in the ordinance. Within 60 days after passage and publication of such an ordinance, a petition requesting a referendum on the ordinance may be filed with the city clerk. The petition must be signed by registered voters equal in number to at least five percent of the registered voters in the city or 2,000, whichever is less. If the requisite petition is filed within the prescribed period, the ordinance shall not become effective until it is approved by the voters as in the case of charter amendments submitted by the charter commission, the council, or by petition of the voters, except that the council may submit the ordinance at any general or special election held at least 60 days after submission of the petition, or it may reconsider its action in adopting the ordinance. As far as practicable the requirements of subdivisions 1 to 3 apply to petitions submitted under this section, to an ordinance amending a charter, and to the filing of such ordinance when approved by the voters.
