Description of Work: (Include Make and Model / Size of Equipment) 			

THIS IS AN APPLICATION FOR A PERMIT – DO NOT START WORK UNTIL PERMIT HAS BEEN ISSUED.

Additional permits are required for electrical, building, and plumbing work. This permit becomes null and void if the work authorized is not commenced within 180 days of the date of issuance, or if the work is abandoned or suspended for a period of 180 days.

CERTIFICATION STATEMENT: I hereby certify that: I am authorized to make this application; all information provided on this application or in other submittals is true and accurate to the best of my knowledge; authorization from the owner to perform the proposed work has been granted; I understand that I am fully responsible for all work performed and all work performed as part of any permit will comply with all applicable state and municipal laws and ordinances, and any required contractor license, personal license, or certificate of competency will be obtained prior to any work being performed. I understand that the issuance of a permit does not grant any contractor license, certificate of competency, business license, or other license, and unlicensed persons shall not be hired to perform work that requires a license or certificate of competency.
