

Did you know?

Minnesota fire departments respond to an average of more than 283,000 emergency calls every year.

Minnesotans experience an average of \$233 million in fire losses every year.

Fire experts report that families may have as little as two to three minutes to escape a house fire.

STAY FIRE SAFE

- **Pay attention in the kitchen. If you leave the kitchen, turn off the stove.**
- **Keep anything combustible at least three feet from space heaters, wood stoves or fireplaces.**
- **Practice your family escape plan and make sure everyone knows where to meet following a fire.**
- **Have working smoke alarms in your home. Test them monthly; change the batteries twice a year.**
- **Keep candles away from combustibles and never leave candles unattended.**
