**Chapter 515 ZONING**

**515-4-9 Landscaping, Green Space and Screening Requirements.**

- A. **Purpose and Intent.** The purpose of this Section is to establish standards for general landscaping, green space and required screening applicable to all Districts. When landscape material is used for screening, it shall incorporate plant types and sizes that will promote healthy landscapes. These standards are intended and designed to assure compatibility of uses and to enhance the health, safety, and general welfare of the residents of the City of Brainerd.
- B. **Minimum Requirements.** The requirements in this Section are minimum requirements, and under no circumstances shall they preclude the ability of the property owner and the City from agreeing to more extensive landscaping.
- C. **Invasive Species.** The planting of any noxious weed that is prohibited by Crow Wing County, the State of Minnesota, or the United States Federal Government shall not be planted on any property within the Brainerd City Limits. Any noxious weed that is on the State of Minnesota's Eradicate List must be eradicated, meaning all of the above and below ground parts of the plant must be destroyed, as required by Minnesota Statutes, Section [18.78].
